🧸 Stay and Play sessions

Come along and enjoy playtime with your child, meet some other parents, and pick up tips on how to support your child's learning and development.

💬 Communication and Language groups

Online Chattertime and face to face group sessions in the Children's Centres to support your child's communication and language development is available for families across the borough.

🌿 Natural Thinkers

🗨️ Making it REAL (Raising Early Achievement in Literacy)

Over a series of one to one contacts or face to face, you will gain lots of skills in how best to support your child's early communication and language development.

👍 Support for young parents

Young mothers and fathers are warmly welcomed at all children's centres, but sometimes you may want some additional support tailored to meet the needs of young parents. St Michael's Fellowship will support you and your child through one to one support. You can contact them on: 020 8835 9570

★ Special Educational Needs and Disabilities (SEND)

All the activities listed on this programme are accessible and inclusive, but sessions such as Small Group Sensory Sensations or the Small Group ASD session provide additional support for children with SEND, while programmes such as Early Bird help you in your role as a parent.

⚙️ LEAP (Lambeth Early Action Partnership)

Provides additional support and activities for families of children aged from 0-4 living in Tulse Hill, Coldharbour, Vassall and Stockwell. If you live in those areas, please keep a look out for LEAP activities.

👨‍⚕️ Child Health Clinics – currently by appointment only

Run by the Health Visiting team from Evelina London, child health clinics are a great opportunity to get information and ask any questions about your child's health, growth, development and immunisations. You can also find out if you can get Healthy Start vouchers to use for free fruit, vegetables and milk, or find out about the free Vitamin D scheme. Please bring your red book along.
