

Together Time - parent & baby group

Together Time is a safe space for parents to be with their babies (3-8 months), to explore and understand their relationship and to share feelings and experiences with other parents.

Free group. Seven sessions. Each session lasts for one hour and 30 minutes. The group is:

- A relaxed, friendly, and comfortable environment, with toys and songs for your baby
- An opportunity to meet other parents with babies and discuss your experiences of parenting
 - A chance to learn about baby-led play.

"Together Time helped me to reconnect with my son and make our connection stronger. Now I practice the technique regularly at home". Together Time Parent

You must pre-register for this group. To register, email signe.munkevica@slam.nhs.uk or call 07740421626.
